7	<p>[Reasons for nomination as Outside Director and outline of expected roles] Mr. Sadao Degawa is an experienced business manager of an international manufacturing company, with a wealth of experience in corporate management. By continuing to have him reflect his engineering knowledge in deliberations at the Board of Directors as well as supervise overall management of the Company and by taking part in important decision making from an independent standpoint, it is expected to strengthen the Board of Directors' functions, and he is therefore nominated for the position of Outside Director.</p> <p>If Mr. Degawa is elected, the Company plans to continue having him be involved in the selection of candidates for the Company's officers and the determination of remuneration for officers, etc. as a member of the Nomination Advisory Committee and the Remuneration Advisory Committee from an objective and unbiased standpoint. - (Notes)
- Mr. Sadao Degawa is a candidate for Outside Director. The Company has appointed him as an Independent Director as prescribed by the Tokyo Stock Exchange, and submitted a notification of the appointment to the Exchange.
 - It was revealed that IHI Corporation, at which Mr. Degawa had served as Director until June 2016, had committed a violation of standards stipulated by the Ministry of Land, Infrastructure, Transport and Tourism since January 2009 at the latest, in connection to the civil aero engine maintenance business. In this regard, IHI Corporation received an operational improvement order from the Ministry of Land, Infrastructure, Transport and Tourism on April 9, 2019. Mr. Degawa, during his time serving as Director at the said company, routinely provided suggestions as necessary on the importance of law compliance and internal control based on his wealth of experience and high insights, fulfilling his duties appropriately from a viewpoint of compliance-based management.
 - It will have been three years since the appointment of Mr. Degawa as an Outside Director at the conclusion of this year's Annual General Meeting of Shareholders.
 - Pursuant to Article 427, Paragraph 1, of the Companies Act and Article 28 of the Company's Articles of Incorporation, the Company has concluded a limited liability agreement with Mr. Degawa to limit the liability for damages prescribed in Article 423, Paragraph 1, of the Companies Act. The maximum amount of liability for damage under the agreement is equal to the amount prescribed by applicable law. If the reappointment of Mr. Degawa is approved, the Company will continue said agreement with him.
