

JSW to Exhibit at Electronica India 2026

The Japan Steel Works, Ltd. (JSW) is pleased to announce its participation in Electronica India 2026, which is India's leading exhibitions for the electronics and semiconductor industries.

Date : September 16, 2026 (Wed) ~ September 18, 2026 (Fri)

Place : Bangalore International Exhibition Centre (BIEC Bengaluru)

[electronica India](#)

Booth No. : H2E34 / Hall No.2

JSW will showcase its advanced Vacuum Press Systems and Vacuum Laminator Technologies, offering solutions for High-Layer-Count printed circuit boards, Advanced semiconductor packaging, and Next-generation electronic manufacturing applications.

At Electronica India 2026, visitors will be able to learn about JSW's vacuum press lineup, including small, medium, and large-scale systems, as well as vacuum laminator technologies through product panels, introduction video.

We look forward to welcoming customers, partners, and industry professionals to our exhibit and discussing opportunities for collaboration in the rapidly growing Indian electronics and semiconductor market.
